Latin American & Latino/a Studies

Beginning in late Fall 2018/early Spring 2019, majors will consult their advisors or the program director to chart their academic trajectory in LALS, according to the following plan. Members of the Classes of 2020 and 2022 will be encouraged to abide by the new requirements, but they could opt for the previous plan if their need for courses and advising led them in that direction.

Class of 2019: Previous requirements

Classes of 2020 and 2021: Choose either previous or new

Classes 2022 and after: New requirements
