## History

During the transition to the Rebalanced Curriculum Initiative students should work closely with their advisor or the program director to plan out their course work to meet their major requirements. The table below provides some guidance for students and advisors.

| <b>Class of...</b> | <b>Old or New major requirements</b> | <b>Courses to be offered <u>only</u> during transition</b> | <b>Changes or considerations</b>   |

Students will ordinarily take 301 in the same sections taught by faculty members who taught HIST 300 "Thesis Preparation." The total required units for the major (11) and other distribution requirements remain the same. |
