

Revised Major Requirements	Earth Science
Total # of units required for major, excluding any required Intensive(s)	10
Required Intensive units, if any	1
Total units required	11
Total # of specific courses required (e.g., 101 & 102; 218; one of 225, 226, or 227; 301-02; 362) . Please list below and indicate # of units for each.	3
ESCI 151 - Earth Environment and Humanity	1
ESCI 201 - Earth Materials: Minerals and Rocks	1
ESCI 203 - Earth History	1
Distributional content area units required (e.g. 1 unit at the 200 level in each of the three subdivisions of the field). To the right, list units for any not already included above. Below, list the distributional statement.	
ELECTIVES. To the right, indicate units not included above. Below, list any structured electives not included above (e.g., 2 electives at the 200 level and 2 elective seminars)	7
Seven additional Earth Science units at the 200 or 300 level. Of the seven electives, at least two must be at the 300 level. One of the 300 level courses must be taken during the senior year. After consultation with the department chair, students may substitute a 200-level course in Astronomy, Biology, Chemistry, Math or Physics for one of the six electives.	
INTENSIVE(S) required. Below, list any specific required intensive(s).	
One intensive at any level.	1
Other. Please explain below.	
Sum of 5 light grey boxes, should equal "Total units required" above	11
